

# The Life of Our Lord

## ALL- IN - ONE Painting

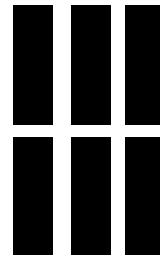

This single giclee is an assembly of all The Life of Our Lord paintings. It will have its place in churches, community houses, school halls, or any other Christian assembly room. It is recommended to be at least 4' 6" x 7' in order to see each of the 14 paintings from a distance. This size can be shipped easily as well as transported from place to place through building doors.

If a larger size is required, it will be necessary to split the giclee into two parts (see figure A). The separation won't be visible when both panels are assembled for two reasons. The first is that the split will be on the black line which separates horizontally both panels and second, in order to see such a large panel, people have to step further backward which will make the split almost invisible.

The next bigger size will require 3 panels (see figure B). Here also with the splits being on the black horizontal lines they will not be visible from a distance.

And finally we can obtain as much as 20 feet by splitting the total surface into six total panels by having 2 vertical separations and one horizontal in the center.

Hereafter are the sizes and prices for the above.

three	8' 6" x 13' 5"	12,400 \$
